# Junior Cycle English Assessment Task May 2017

Assessment Task completed during the period	Tuesday 2 <sup>nd</sup> to Monday 8 <sup>th</sup> May 2017
---	--

The Assessment Task, as outlined below, is based on the principal objective of The Collection of the Student's Texts, which offers students a chance to celebrate their achievements as creators of texts by compiling a collection of their texts in a variety of genres. Students must complete Classroom-Based Assessment 2: The Collection of the Student's Texts before completing the Assessment Task.

The task is completed over two 40 minute class periods or over 80 minutes of one double class.

<b>Section A</b>
------------------

<b>Reflecting on a text</b>
-----------------------------

## Question 1

Give the titles of two texts, from your collection of texts, that you consider to be your best writing and identify the genre of each text.

Select an extract (for example, a paragraph, passage, or verse) from one text identified. Copy the extract into the space provided in the booklet.

## Question 2

Write a response to either **(a)** or **(b)**.

- (a) Explain how two features of the extract you have chosen are typical of its genre.

**OR**

- (b) Identify a change that you made in the course of writing this text that you think improved it and explain how it improved the text.

Thinking about the process of writing/compiling your Collection of Texts, write a short paragraph about each of **two** of the following **writing prompts** into the spaces provided in the booklet:

- a) How an experience inspired my writing
- b) How drafting and editing made my work more enjoyable for the reader
- c) Something I learnt about writing from creating my Collection of Texts
- d) How I hope to use my writing skills in the future

In your responses, you are encouraged to refer to specific texts from your collection.

## Completing the task over two class periods

**Class period 1:** Stimulus/discussion/reflection

**Class period 2:** Writing

**Class period 1:**

**Stimulus<sup>1</sup> and discussion:** *approx. 15 minutes*

Students read/watch/listen to and then discuss **one** piece of stimulus material<sup>2</sup> from these options:

1. Interview with Sinéad Gleeson: <https://vimeo.com/ncca/review/192131616/fe84e46d0c>
2. Interview with young writers: <https://vimeo.com/ncca/review/192131617/f099f6ada5>
3. Interview with Eoin Butler: <https://vimeo.com/ncca/review/192131618/762f94be9>
4. Q&A with Ann and Patrick: <https://goo.gl/Ukluc8>

---

<sup>1</sup> Note: the stimulus' purpose is to stimulate discussion and reflection by students on their own experiences.

<sup>2</sup> To turn on close captioning for these videos, please click on the CC symbol on the play bar . Transcripts are also available [Interview 1](#); [Interview 2](#), [Interview 3](#).

Discussion centres on the process of creating texts and how the stimulus mirrors and/or diverges from students' personal experiences of compiling their collection of texts. Discussion can happen in pairs, small groups and/or as a whole class.

**Reflection and preparation:** *approx. 25 minutes*

Students read the questions in the booklet (section A), are given the writing prompts for section B (above) and think about how they might respond. Silent reflection time, for the most part, is envisaged here. Teachers may read the questions aloud and/or clarify the meaning of words or phrases, as appropriate, to ensure that the task is accessible to all. Supports which are available to students throughout the school year continue to be available whilst they complete the Assessment Task.

Students may wish to re-read their two texts, which they submitted for assessment, their reflection notes and any previous draft material relating to their texts. This will help them to decide which extract / aspects of their texts they'll draw upon to answer section A. They may also make reference to other texts and experiences in responding to the section B prompts. However it is not envisioned that students will have their entire collection in front of them when completing the Assessment Task.

Students may reflect on potential answers overnight but completing the booklet is done during a supervised sitting. In this context, students may take note of the questions/prompts but should not bring the booklet home, nor should they bring 'notes' or pre-prepared written answers to the next class.

**Class period 2:** *(next timetabled English class period you have with this group)*

**Writing: approx. 35 minutes**

- As before, students have two texts they've created, their reflection notes and any previous draft material relating to these texts with them, to refer to, examine and quote from.
- Students complete the booklet independently, whilst teachers supervise without intervention/assistance, except where support is required to remove barriers to learning, in line with the supports available to the student(s) throughout the school year.

**Submission: approx. 5 minutes**

- Students label their answer booklets clearly and the teacher follows school procedures for storing/submitting booklets to the SEC.
- Student texts from their collection are not sent to the SEC.

## Guidance for teachers

### What do I need to do before and during the Assessment Task?

#### **Before:**

- Pre-select one piece of stimulus material from the options above, one you feel most closely reflects your students' experience in compiling their collection of texts.
- Take note of the specified writing prompts for Section B (see above) as these will not be printed in the booklet.
- Ensure students have two texts from their Collection in front of them as they complete the Assessment Task.
- Student reflection notes and any draft material relating to these two texts may also help them to complete the task – remind students to have these with them.

#### **During: Class 1**

- Show students the stimulus material. Allow time for discussion.
- Give students the assessment task booklets and the specified section B writing prompts and time to think. Where appropriate, teachers may read questions aloud and/or clarify the meaning of words or phrases for students.

#### **During: Class 2**

- Supervise as students write their answers into the booklet.
- Gather all clearly labelled booklets and then follow established school procedures for storing/submitting material to the SEC.

Note: If your students are completing the Assessment Task during a double class, the same steps outlined above apply but are completed back to back during the double class.
