

Support Materials: Shape

Click on a support material below to access information, ideas and suggestions for this Strand Unit.

Shape

Mathematical Concepts

Primary Mathematics Curriculum			
Strand	Topic	Content	Assessment
Shape	Area	Area of rectangles, squares, triangles, circles, and composite shapes.	Area of rectangles, squares, triangles, circles, and composite shapes.
	Perimeter	Perimeter of rectangles, squares, triangles, circles, and composite shapes.	Perimeter of rectangles, squares, triangles, circles, and composite shapes.
	Volume	Volume of rectangular prisms, cubes, and cylinders.	Volume of rectangular prisms, cubes, and cylinders.

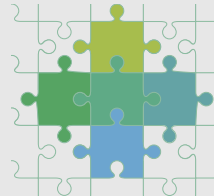

Progression Continua

Primary Mathematics Curriculum			
Strand	Topic	Content	Assessment
Shape	Area	Area of rectangles, squares, triangles, circles, and composite shapes.	Area of rectangles, squares, triangles, circles, and composite shapes.
	Perimeter	Perimeter of rectangles, squares, triangles, circles, and composite shapes.	Perimeter of rectangles, squares, triangles, circles, and composite shapes.
	Volume	Volume of rectangular prisms, cubes, and cylinders.	Volume of rectangular prisms, cubes, and cylinders.
